3.5 Payment Arrangements

3.5.1 The Customer is responsible for payment of all charges for Services furnished to the Customer or its joint or authorized users. This responsibility is not changed due to any use, misuse, or abuse of the Customer's Service or Customer provided equipment by third parties, the Customer's employees, or the public. This responsibility includes payment for calls or services that originate at the Customer's number(s), that are accepted at the Customer's number(s) (e.g., collect calls), that are billed to the Customer number(s) via Third Number Billing if the Customer is found to be responsible for such call or service, the use of a Calling Card, or the use of a Company-assigned Special Billing Number and incurred at the specific request of the Customer.

3.5.2 The Company's bills are due upon receipt. Amounts not paid within thirty (30) days from the Due Date of the invoice will be considered past due. Customers may be assessed a late fee on past due amounts in the maximum lawful rate under applicable state law. If a Customer presents an undue risk of nonpayment at any time, the Company may require that Customer to pay its bills within a specified number of days and to make such payments in cash or the equivalent of cash.

INTERNATIONAL TELECOMMUNICATIONS SERVICES**3. RULES AND REGULATIONS (Continued)****3.5 Payment Arrangements (Continued)**

3.5.3 Customers that present an undue risk of nonpayment may be required to provide the Company with a security deposit, up to an amount equal to the applicable Installation charges, if any, and/or up to one year's actual or estimated usage charges for the Service to be provided. Such applicants or Customers may also be required, at any time, to provide other assurances of, or security for, the payment of the Company's charges for its Services as the Company may deem necessary, including, without limitation, advance payments for Service, third party guarantees of payment, pledges or other grants of security interests in the Customer's assets, and similar arrangements. The required deposit or other security may be increased or decreased by the Company as it deems appropriate in the light of changing conditions.

3.5.4 Disputes with respect to charges must be presented to the Company in writing three months from the due date the invoice is rendered or such invoice will be deemed to be correct and binding on the Customer.

3.5.5 In the event the Company incurs fees or expenses, including attorney's fees, in collecting, or attempting to collect, any charges owed the Company, the Customer will be liable to the Company for the payment of all such fees and expenses reasonably incurred.

3.6 Discontinuance of Service

3.6.1 Upon nonpayment of any sum owing to the Company, or upon a violation of any of the provisions governing the furnishing of Service under this Tariff, the Company may, upon written notification to the customer, without incurring any liability, immediately discontinue the furnishing of such Service. Customer shall be deemed to have canceled Service as of the date of such disconnection and shall be liable for any cancellation charges set forth in this Tariff.

3.6.2 The Company reserved the right to discontinue furnishing Services or billing options, upon written notice, when necessitated by conditions beyond its reasonable control.

INTERNATIONAL TELECOMMUNICATIONS SERVICES**3. RULES AND REGULATIONS (Continued)****3.6 Discontinuance of Service (Continued)**

3.6.3 Service may be discontinued by the Company, without notice to the Customer, by blocking traffic to or from certain cities, or NXX exchanges, or by blocking Calls using certain Customer authorization codes such as Calling Card codes, when the Company deems it necessary to take such action to prevent unlawful use of its Service. The Company will restore Service as soon as it can be provided without undue risk.

3.6.4 Without incurring any liability, the Company may discontinue the furnishings of Service(s) to a Customer immediately and without notice if the Company deems that such action is necessary to prevent or to protect against fraud or otherwise to protect its personnel, agents, facilities or Services.

3.6.5 The discontinuance of Service by the Company pursuant to this Section does not relieve the Customer of any obligations to pay the Company for charges due and owing for Service(s) furnished up to the time of discontinuance.

3.6.6 The remedies set forth herein shall not be exclusive and the Company shall at all times be entitled to all rights available to it under either law or equity.

3.6.7 Except as otherwise provided in this Tariff, or as specified in writing by the party entitled to receive Service, notices may be given orally or in writing to the persons whose names and business addresses appear on the executed Service order.

3.7 Tax Adjustments

3.7.1 All stated charges in this tariff are computed by the Company exclusive of any federal, state, or local use, excise, gross receipts, sales or privileges taxes, duties, fees, or similar liabilities (other than general income or property taxes) whether charged to or against the Company or its Customer. Such taxes, duties, and fees shall be paid by the Customer in addition to the charges stated in this Tariff. All such taxes, duties, and fees shall each be shown as separate line item on the Customer's monthly invoice.

INTERNATIONAL TELECOMMUNICATIONS SERVICES**3. RULES AND REGULATIONS (Continued)****3.8 Other Terms and Conditions**

- 3.8.1 The provision of Service will not create a partnership or joint venture between the Company and the Customer nor result in joint Service offerings to their respective Customers.
- 3.8.2 A Customer shall not use any service mark or trademark of the Company or refer to the Company in connection with any product, equipment, promotion, or publication of the Customer without prior written approval of the Company.
- 3.8.3 If an entity other than the Company (e.g., another carrier or a supplier) imposes charges on the Company in connection with a Service, that entity's charges may at the Company's option, be passed through to the Customer also.
- 3.8.4 In the event suit is brought or an attorney is retained by the Company to enforce the terms of this Tariff, the company shall be entitled to recover, in addition to any other remedy, reimbursement for reasonable attorney's fees, court costs, costs of investigation and other related expenses incurred in connection therewith.
- 3.8.5 The failure to give notice of default, to enforce or insist upon compliance with any of the terms or conditions herein, the waiver of any terms or conditions herein, or the granting of an extension of time for performance by the Company or the Customer shall not constitute the permanent waiver of any term or condition herein.
