- 1) When a customer does not pay an entire bill by the due date, excluding charges that are in the process of being disputed, or made payment that was rejected for insufficient funds, the Company will temporarily disconnect service and send a written notice regarding full disconnect. To avoid termination of service, a customer must pay all charges due including Non-Sufficient Funds charge, Late Payment Fee plus any applicable Reconnection charges or negotiate a Deferred Payment Arrangement within 15 days after the date of the written notice.
- 2) The Company may attempt to make at least one telephone call to the customer prior to disconnecting service.
- 3) If the customer does not pay the entire bill or contact the company to make payment arrangements by the termination date, service will be fully terminated. Any payment received after service has been fully terminated, will be considered a new application for service and installation charges may apply.

D. Contract Termination

- 1) Unless specified elsewhere, contracts for service or facilities may not be terminated except upon advance notice, written or verbal, to the Telephone Company, at which time all unpaid charges or guarantees for the period the service or facilities have been furnished plus all applicable minimum and termination charges are due and payable.
- 2) The customer is required to pay only the charges for the period during which service or facilities have been furnished. Minimum or termination charges will not apply when the use of the service or facilities is terminated because of the condemnation, destruction, or damage or property by fire or other cause beyond the control of the customer which renders the premises unfit for occupancy.

E. Medical Emergency

The Company will postpone disconnecting local exchange residential service for 30 days for non-payment, if the customer submits certification from a qualified medical professional, who is licensed to practice in the state, stating that disconnection would create a life threatening situation for the customer or other permanent resident of the customer's household.
