Salem Telephone Company

PSC 2
Section H
Original Sheet 2

H.1 Direct-Inward-Dialing (DID) Service

H1.1 Rules and Regulations

- A. DID service permits call incoming to a P.B.X. Line from the network to reach a specific station line number without the assistance of an attendant. DID service is provided subject to the availability of facilities and may be furnished from the central office which regularly services the area in which the customer is located or from a foreign central office equipped to provide DID service subject to the appropriate Company intra and interexchange rates.
- B. Rates are in addition the rates show elsewhere in this and other Company tariffs for the services and equipment with which this offering is associated.
- C. The service includes central office switching equipment necessary for in-dialing from the network directly to station lines associated with customer premises switching equipment.
- D. The service must be provided on all trunks in a group arranged for inward service. each truck group shall be considered a separate service. Grouping Service will not be provided between separate trunk groups.
- E. Facilities and operational characteristics of interface signals between the Company-provided connection arrangements and the customer-provided switching equipment must conform to the rules and regulations the Company considered necessary to maintain proper standards of service.
- F. One primary directory listing will be furnished without charge for each separate trunk group. Additional listings can be obtained as specified in section F of this tariff.
- G. The customer shall be responsible for providing interception of calls to vacant and nonworking assigned DID numbers by means of attendant intercept or recorded announcement service.
- H. DID numbers are provided in blocks consisting of a minimum of 20 consecutive numbers which may be assigned to station lines or reserved for future use at rates specified herein. The Company does not guarantee to provide a number block. The Company will be responsible for interception and administration of reserved numbers.

H.1 Direct-Inward-Dialing (DID) Service (Continued)

- I. The assignment of the telephone numbers and the sequence of numbers assigned to a DID service is determined by the Company based on the rules established in FCC order 00-104. The customer may request a sequential block of numbers to be placed into service at a later date. Non-Recurring Charges for DID numbers may apply to recover the cost of reserving the numbers. Reserved numbers can only be held for a maximum of six months. After six months, the reserved numbers must be placed into service for that specific customer or the numbers will be categorized as available for use by other customers. (N)
