PRIVATE LINE SERVICES

T.1 Concurrence

T.1.1 Salem Telephone Company, hereinafter called the concurring utility, except as specifically stated herein, assents to, adopts and concurs in the Private Line Service Tariff filed with the Kentucky Public Service Commission by South Central Bell Telephone Company, hereinafter called the issuing utility as such Tariff, now exists, or as it may be revised, added to or supplemented by superseding sheets or issues, for Private Line Service furnished by the issuing utility and concurring utility (including such service as is also participated in by one or more other utilities), and hereby makes itself a party thereto and obligates itself to observe each and every provision thereof.

T.2 Exceptions

T.2.1 Customer provided terminal equipment on customer provided communication systems attached or connected to the facilities of the concurring utility and permitted to be used under this Tariff, may not be used for local exchange service of this concurring utility, unless there is compliance with provisions of the Tariff of this concurring utility.

T.2.2 Salem Telephone Company concurrence with the issuing utility is limited to private line circuits, that connect with the issuing utility or other connecting companies.

T.2.3 When private line circuits are provided solely on the facilities of Salem Telephone Company, the charges specified in paragraph T.3, will apply. These charges are based on a single pair of wire. In cases where one circuit requires multiple pairs, the charges in paragraph T.3 will apply to each pair of wires used in the circuit.

T.2.4 Salem Telephone Company will also charge a termination fee at the rate specified in paragraph T.3. A termination is defined as each premise appearance of the cable pair. Where multiple pairs are provided to provide one circuit, a termination charge will be applied to each premise appearance of each pair of wire.

T.2.5 The minimum service period on private line service is six months. A termination agreement will be required concerning the cost of installation of the service. This termination agreement will apply to private line services served jointly with Salem Telephone Company and those served jointly with connecting companies.
