(d) Any non-recurring charges applicable in the foreign exchange.

Conditions:

1. Foreign exchange service will be furnished subject to the same conditions as to the use of the service by others than the subscriber and the subscriber's representatives or members of the subscriber's household which are applicable in connection with other business or residence service. Foreign exchange service will not be provided for public or semi-public use.
2. The scope of local service for and the interexchange rates to and from stations connected to foreign exchange service will be in accordance with the tariff provisions of the foreign exchange for the particular classification of service.
3. Line extensions required in the local exchange to furnish foreign exchange service will be constructed by the company under the payment by the applicant for such service of the line extension charge in Schedule 9, 2.c. excluding provisions of no charge for additions of 1/2 miles or less.
4. Off-premises extensions from a foreign exchange service will be limited to those in service prior to October 30, 1976.
5. Supersedure does not apply to foreign exchange service.
6. Foreign exchange service is not available to exchanges with which the company has Extended Area Service. Foreign exchange service to exchanges with which the company has Extended Area Service will be limited to those existing prior to the date on which Extended Area Service to that exchange is approved by the Commission.

\* As of May 7, 2005, Foreign Exchange (FX) Service will no longer be available to new customers. Once current customers disconnect this service, they will not be able to reestablish it.
