RELOCATION FORWARDING SERVICE

APPROVED

A. General

Relocation Forwarding Service (RFS) is a voice only application service which allows calls sent to a telephone number programmed in the central office to automatically forward to a customer's terminating premises equipment or voice mail box. The customers premise equipment or voice mail box may be located in the same or different exchange from the call forwarding location.

B. <u>Rates and Charges</u>	Monthly Rate¹		
	<u>Residential</u>	<u>Business</u>	
Per Number (Option A)	\$19.80	\$25.07	(I)
Per Number (Option B)	\$19.80	\$31.32	
Per Number (Option C)	\$28.00	\$39.52	

C. Conditions and Limitations

1. The preceding rates for the Relocation Forwarding Service (RFS) are in addition to applicable charges for service(s) with which it is used.
2. RFS is not offered where the terminating station is a public coin telephone.
3. The Company will not provide identification of the originating telephone number to the RFS customer.
4. Transmission characteristics may vary depending on the distance and routing necessary to complete the forwarded call.
5. Call Forwarding is not available as a feature at the RFS terminating Station.

¹ Service Connection Charges apply as found in Schedule 3.

RELOCATION FORWARDING SERVICE – *Continued*

(T)

C. Conditions and Limitations - *Continued*

- 6. Only one call will be forwarded at one time. Another call will not be sent through until the previous call is completed. (N)
- 7. Service is not available on ported numbers or to Internet Service Providers. (N)
- 8. RFS is provided on the condition that the Telephone Company's facilities are able to adequately handle calls to the RFS customer without interfering with or impairing any services offered by the Telephone Company. If in the opinion of the Telephone Company, the facilities are inadequate to handle the calls to the RFS customer, the customer will be required to pay for the cost of additional services and facilities. (T)
- 9. The message charges applicable to RFS shall be comprised of two separate charges:
 - a. A charge for that portion of the call from the originating station to the call forwarding location, if any. This charge will be the charge specified in this tariff or any other applicable tariff for the type of call involved.
 - b. A charge for that portion of the call from the call forwarding location to the terminating station. This charge will be the charge specified in this tariff or any other applicable tariff for the type of call involved.
- 10. To change the telephone number at the call forwarding location and/or to change the telephone number to which calls are forwarded at the request of the customer, apply the appropriate non-recurring charges from Schedule 3.
- 11. One listing in the directory covering the exchange in which the call forwarding office is located is provided without additional charge. (T)
